INSTRUCTIONS FOR FILING

APPLICATION

Complete all 3 pages of the application.

Failure to provide all the requested information will delay the processing of your application.

An entity (corporation, partnership, joint venture, LLC or LLP) cannot be issued a license without having in its employ a principal responsible managing employee (RME). The RME must file a separate application form if not already licensed.

FEES

Attach the $50 non-refundable application fee for each application filed. Additional fees will be assessed after board approval. Make checks payable to: COMMERCE AND CONSUMER AFFAIRS.
NOTE: One of the numerous legal requirements that you must meet in order for your new license to be issued is the payment of fees as set forth in this application. You may be sent a license certificate before the payment you sent us for your required fees is honored by your bank. If your payment is dishonored, you will have failed to pay the required licensing fee and your license will not be valid, and you may not do business under that license. Also, a $25.00 service charge shall be assessed for payments that are dishonored for any reason.

If for any reason you are denied the license you are applying for, you may be entitled to a hearing as provided by Title 16, Chapter 201, Hawaii Administrative Rules, and/or Chapter 91 Hawaii Revised Statutes. Your written request for a hearing must be directed to the agency that denied your application, and must be made within 60 days of notification that your application for a license has been denied.

ASBESTOS CONTRACTOR

The contracting entity (corporation, partnership, joint venture, LLC or LLP) shall submit proof of successful completion by the RME, and all asbestos abatement employees of the contracting entity, of Environmental Protection Agency (EPA) or board approved asbestos training courses. Partnerships with NO employees may file a form prescribed by the board, in lieu of worker’s compensation insurance.

LLC’s with no employees may file written verification of exclusion from the State Dept of Labor and Industrial Relations in lieu of workers’ compensation insurance.

Corporations may file a form prescribed by the board in lieu of worker’s compensation insurance WHEN the RME owns at least 50% of the corporation and there are NO OTHER EMPLOYEES.

Joint Ventures must file worker’s compensation certificates.

LIABILITY AND PROPERTY DAMAGE INSURANCE
Submit a certificate of insurance from an insurance company or agency authorized to do business in this State, showing full policy coverage of the applicant for comprehensive bodily injury and property damage liability with the following minimum limits of liability:

- Bodily Injury Liability
  - $100,000 each person
  - $300,000 each occurrence

- Property Damage Liability
  - $50,000 each occurrence

OUT-OF-STATE CONTRACTORS: The Board will accept liability insurance from a non-admitted carrier, if the producer qualifies for an exemption under HRS §431:9A-104(b)(6).

PLACE OF BUSINESS
A licensed contractor shall have and maintain a definite place of business where the licensee may be served notice and legal process in the State and shall display therein the contractor’s license. Post Office Box number is not accepted as a place of business.

FEES
License fees will be due. Specific amounts will be given at the appropriate time.

ENTITY-RME DEPENDENCY
A corporation, partnership, joint venture, LLC or LLP cannot be issued a license without having in its employ a responsible managing employee (RME). The entity must file a separate application from the RME and both must pay separate fees in order to be licensed.

ATTENTION: CONTRACTORS APPLYING FOR ELECTRICAL OR PLUMBING RELATED CLASSIFICATIONS
Please be advised that in order to perform electrical or plumbing work in Hawaii, an individual must also obtain an electrician (ie. ES or EJ) or plumber (PM or PJ) license OR hire someone with the appropriate license to perform the work. (Refer to Hawaii Revised Statutes Chapter 448E). YOU MAY NEED THIS TYPE OF LICENSE TO GET A BUILDING PERMIT.

(continued)
MAINTAINING THE LICENSE

MAINTAIN INSURANCE
Maintain insurance coverage throughout licensure and keep on file in the board's office evidence of such coverage.

*Failure to maintain liability and worker's compensation coverages causes automatic forfeiture of license, and if continuous coverage is not reinstated within sixty days, shall require the entity and RME to apply as a new applicant.*

ENTITY-RME DEPENDENCY
If for any reason the Responsible Managing Employee leaves the contracting entity, the contracting entity must notify the board within 60 days and file an application for a new RME or place the entity’s license on inactive status within 90 days of RME leaving contracting entity. Failure to notify the board and apply for a new RME or place the license on inactive status within the required time period causes the license to be **FORFEITED** automatically.

PLACE OF BUSINESS
Maintain a place of business.

BIENNIAL RENEWAL
All licenses, regardless of issuance date, are subject to renewal by **September 30 of each even-numbered year.** To ensure receipt of a renewal application, keep the board informed of your address. Applications are sent by mail around August 1, even-numbered years. Licenses not renewed by September 30 are forfeited and the holders of a forfeited license are considered unlicensed and may not practice. Restorations of forfeited licenses are accepted until November 30 of the even-numbered year with a penalty fee. After November 30, restoration is not accepted and a new application for a license is required.
