§ 3-110. Time allowed employees to vote. 1. 3. If the employee requires working time off to vote he shall notify his employer not more than ten nor less than two working days before the day of the election that he requires time off to vote in accordance with the provisions of this section.

4. Not less than ten working days before every election, every employer shall post conspicuously in the place of work where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of this section.
