

# Kirschenbaum & Kirschenbaum, P.C.

## Recommended Roadmap to Re-Open

We have compiled best practices for your specialty, crafted particular release, covenant not to sue, indemnification and hold harmless language so you may rehire staff and engage with patients/customers with written protocols and confidence. [Explanation Webinar available here.](#)

1. **Staff COVID-19 Protocol with Acknowledgement and Employer Liability Protection\***
2. **Patient/Customer Informed Consent with Liability Protection\***
3. **Specialty specific Employer Guidelines**

*\*While recommended, release from liability for contraction of COVID-19 at your facility or by your staff is not guaranteed. Case law indicates properly worded language may be enforceable. Informed consent is insurance carrier and association recommended.*

To order email Jennifer at [Jennifer@Kirschenbaumesq.com](mailto:Jennifer@Kirschenbaumesq.com). **Package Price: \$250.** *Association members affiliated with K&K also qualify for a 15 minute free consult discussing roll out and best practices.*

**Written Protocols for Restoring staff. Adopting best practices for screening and cleaning.  
Protecting from liability.**
